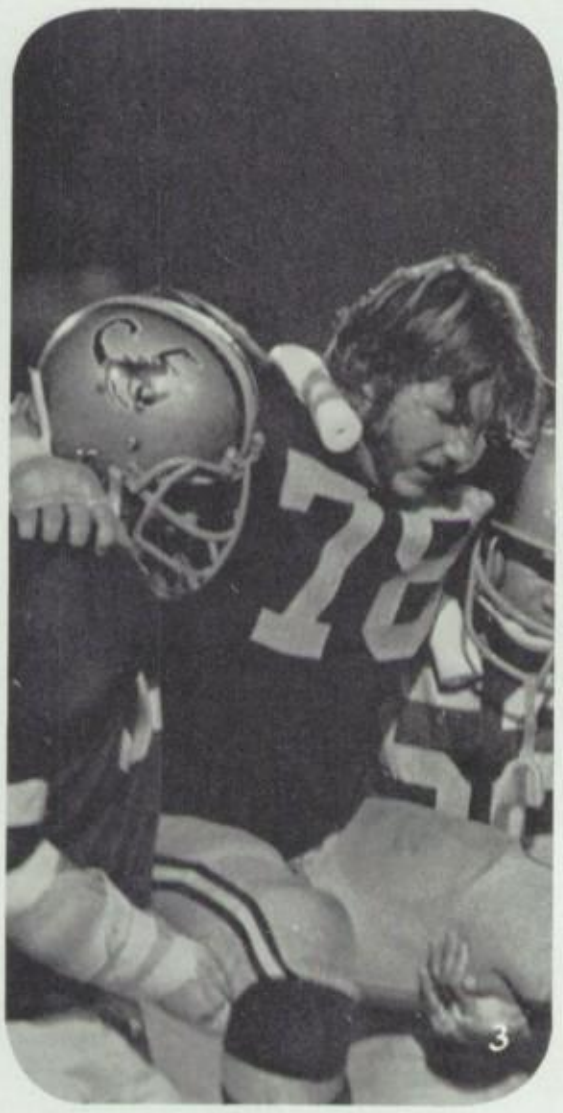
21-14 Victory for Homecoming



Homecoming this year, as well as every other year, was the spice of the football season. It was a time when students gathered with friends while making class floats and watching their football team score a winning game against the Royal Highlanders. The Dance added a touch of class for a perfect ending of a successful Homecoming 21-14 victory.

1. Lindy Huffaker and Cathy Hoeven show their spirit as they sing the Alma Mater after the game. 2. The Scorpion gridders psyche up for the attack against Royal. 3. Charlie Gordon takes his injury sitting down. 4. Guitarist of the band does his thing for Homecoming Dance. 5. Ann LoMonaco and other juniors watch as the sophomores create their winning float. 6. Aloha '76

The ACHS second annual Aloha Week was held from October 11-15. Aloha Week was filled with activities during each lunch period when the classes competed against each other. Examples of the activities were bubblegum chewing, watermelon eating, orange juice guzzling and limbo contests. The height of Aloha Week was Aloha Day, October 13. Clubs entered booths where food and drinks were sold during a double lunch. Aloha Day was a great success and proved to be a good welcome for incoming Freshmen.

Students Do Their Thing

50's Activities Drew Crowds

One of the most looked forward to events of each year is Fifties Week. It consisted of contests at lunch for all four classes to compete in. To end an exciting week of activities, a dance was put on by the A.S.B Students dressed up as their parents had when younger and danced to the music of Gynx.

1. The activities of 50's Week aroused the interest of all classes of students. 2. Spirited Kelly Kline dressed for 50's Week. 3. Terry Conk and Steve Logan competed in the licorice contest. 4. Steve Heron, Sharon Markevich, and Pat Genson try to encourage students to participate in the activities at lunch. 5. These four girls put a spoon attached to a string through their clothes, trying to win tickets to the 50's Dance. 6. Tug-of-War, the most exciting of the 50's competition, was won here by the junior-senior team over the freshman-sophomore team.

Rallies Added Spirit

Organized by the Commissioner of Spirit, rallies promoted school spirit, kept students up to date on school issues, and helped break up the routine of the day. Cheers and skits by songleaders and cheerleaders helped make rallies a success. The Drill Team added variety to the usual agenda by performing with unique enthusiasm and originality.

It Was a Year of Many Changes

Beginning with the split session the '76-77 school year went through many changes. Hair styles got shorter for both boys and girls. A few of the sports teams were missing too. All in all, the year turned out very well, despite the problems.

Memories Were Fond

School is a place of learning but is also one of relating with people. It offers a chance to grow socially as well as academically. Lunch was a time to spend eating, talking, or just doing your own thing.

3

1. Janice Hewlett and Tami Maricle stroll to lunch. 2. Vince Novak got caught in an awkward position! 3. Ice-sitting was one of the toughest endurance tests for the student body, second only to teachers. 4. Dan Ord demonstrated his unique way of hanging around. 5. Peaceful conversation often accompanied the lunch hour. 6. Dave Benson charges for the door after the bell rang.

5

6

1. Everybody had a great time, including Julie Fischer. 2. Jim Neeley and Sara Miller danced the night away. 3. The great sounds of Separate Reality would not have been the same without their drummer. 4. Between songs people could drink or eat food supplied by the Keywanettes or just talk to friends. 5. When hot or tired, people sat and conversed. 6. Slow dancing was the height of the dance.

Backwards Dance Was a Hit

Keywanettes sponsored the '77 Backwards Dance. With approximately 400 in attendance, the band, Separate Reality, made a big hit. They played enough slow songs for the more romantic and enough fast songs for the people with boogie fever. Keywanettes supplies cookies, cake, and punch. Over all, the dance was a major success.

1. Kevin Moore checks out the scenery while waiting for the panoramic picture to be taken. 2. Mr. Ortega admires an aesthetic view while keeping an eye on students. 3. Unknown to most students, the lunch area is a place of great beauty. 4. Ayn Fugiestad prepares for a day in the surf. 5. It often seemed that as the day wore on, less students attended classes. By seventh period, the school was practically empty.

Learning Can Be Pleasant

Not all time was spent in classrooms. Students enjoyed many outdoor activities such as surfing, which has become a favorite past time of both guys and girls. The ACHS campus has one advantage new schools do not; beautiful large trees and pleasant scenery.

The Freshmen were an active bunch as they had made alot of money from successful fund raising events which gave them a healthy start for the future. The Freshmen also did well in athletics, including a strong showing by the Frosh football team.

Yearbook Discovers That

"Will we ever get this book finished?" was the question every member of El Alacran Staff asked himself. The staff worked hard this year to get the book out on time. The staff found a second home in room 75 as time was spent developing film, writing copy, and organizing pages. Putting a book out is a lot of work as the members of the yearbook staff found out. The editors of the 1976-77 El Alacran were Blaine Wilhite, editor-in-chief, Tim Blanchard managing editor. The graduating members would like to wish next years staff the best of luck. We, the graduating staff members, leave next years staff early deadlines, a broken cropper, and negatives that are lost and never found.

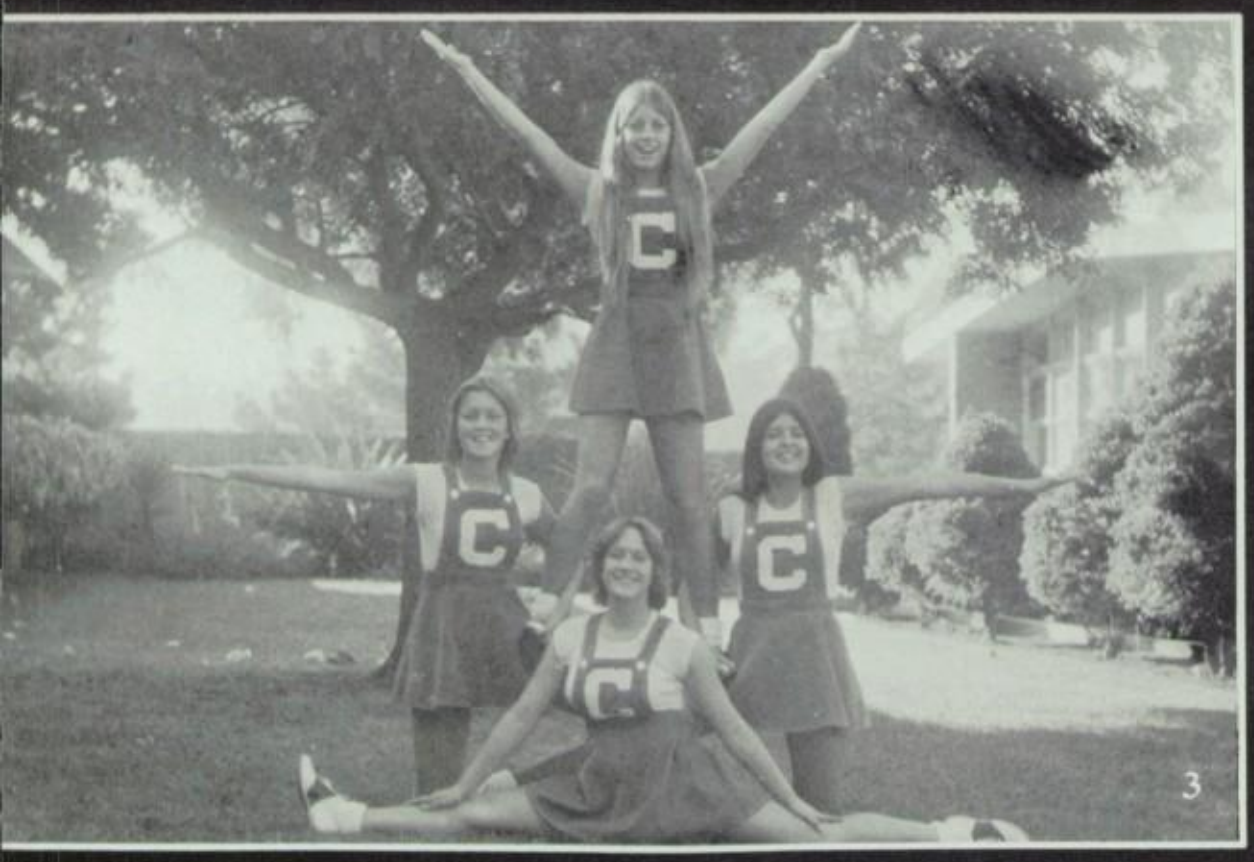
Promoted Spirit



Spirit was behind this year's Pep Squad. Camarillo Cheerleaders and Songleaders supported our teams at every game and participated in rallies and fund raisers. They helped bring about some much needed spirit to ACHS by really getting the crowd involved.

This summer at camp the Varsity Cheerleaders were awarded one superior trophy, three superior ribbons, and one outstanding award. Songleaders placed second in camp competition and Junior Varsity Cheerleaders won four superior ribbons and one superior trophy.

FOOTBALL

Scorp Gridders Build

This year's varsity went through a hard year, with the loss of all county candidate Bob Lekse. Minor injuries to some key players through-out the year also hurt the team. With a 5-4 record the Scorps went into the C.I.F. play-offs for the third straight year. The opponent this year was again West Torrance, who were rated #6. Torrance beat the gridders 33-6. The future looks bright for the gridders as they started 6 juniors on defense and 5 on offense.

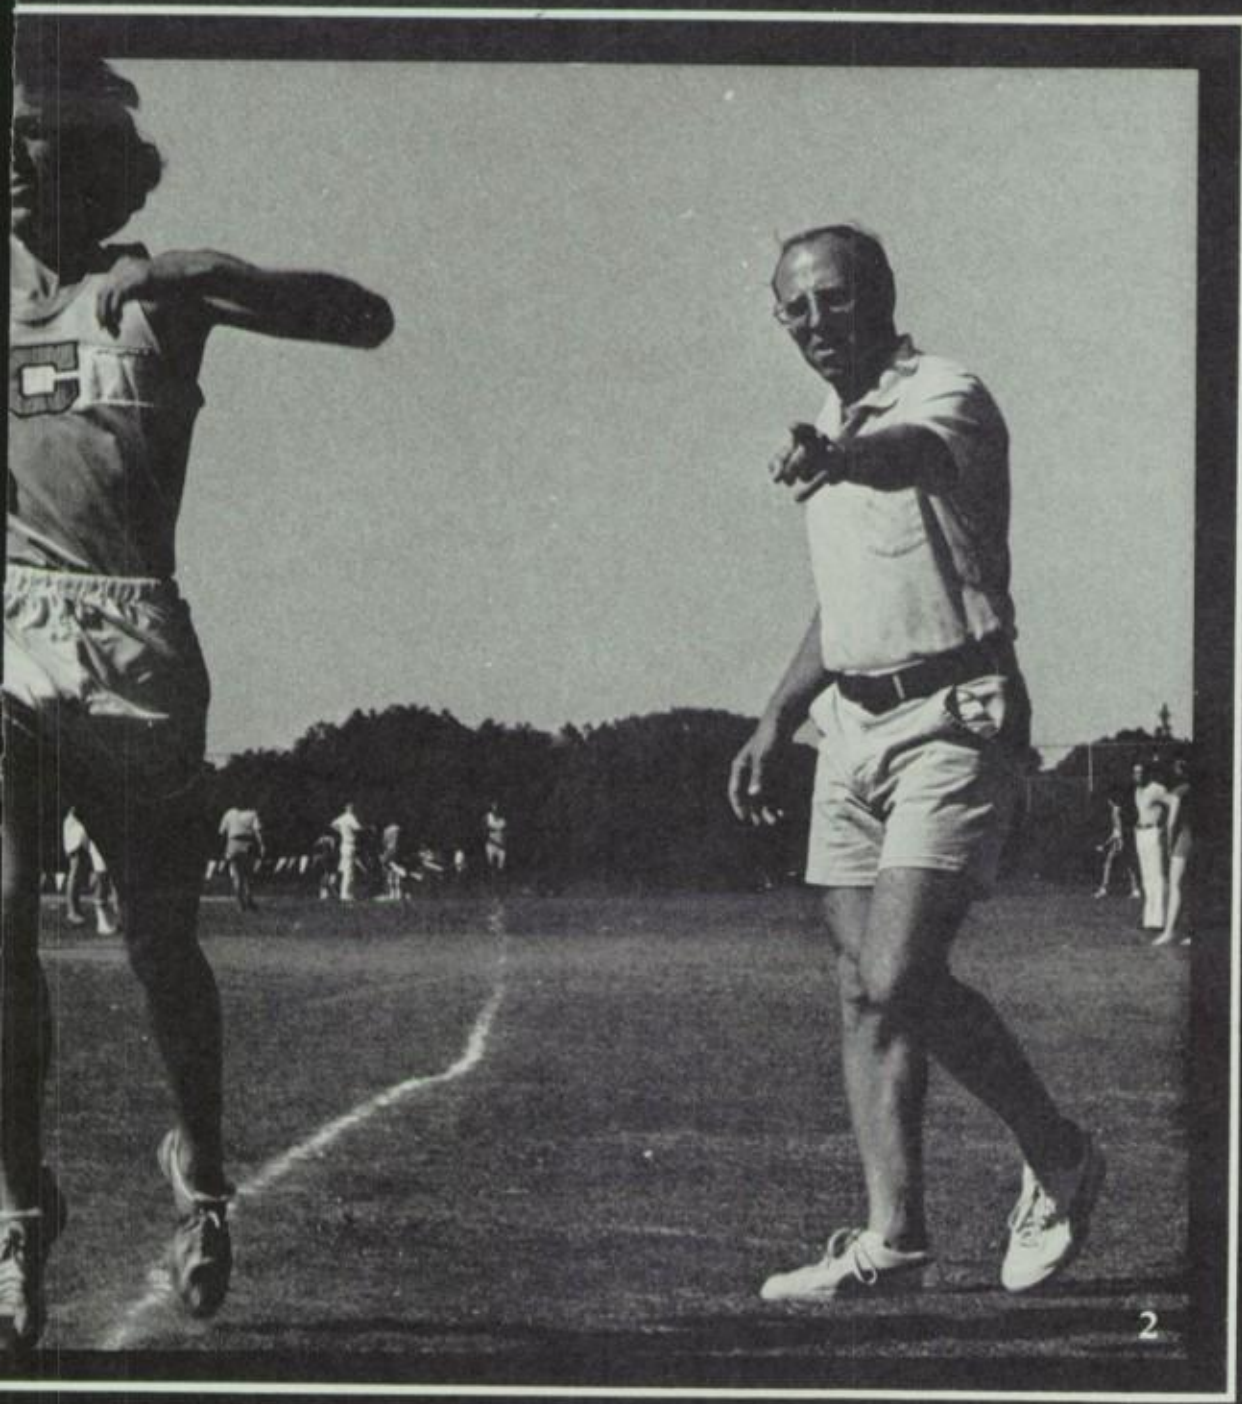
for the Future



This year's Varsity Cross Country team was hampered by the unforseen injuries to two key athletes. Freshman superstar Paul Smith and returning letterman Kevin Finch were both taken by injury, but not before terrorizing the vast majority of their opponents. The high spot of the team was the Morales combination. Returning great Ramon Morales kept the Scorpions on the winning track, while little brother Jose performed outstandingly well. Coach Herb Potter is looking forward to next year with the returning of all his team members.

This year's Senior Class looked forward to entering the world on their own, yet reluctant to leave the security of the world that they've had for the past four years.

Seniors strived for success in academics, sports, and extra curricular activities during their four years of high school. They also aquired knowledge, respect, and other qualities that will prepare them for the future.

When the seniors graduated, many responsibilities followed them. These responsibilities must be upheld because these seniors are the world's future leaders.

1. Rick Holland smiles at one of his friends great ideas. 2. Eddie Thorpe and Brian Black try to look inconspicuous so that whom they are talking about doesn't notice that they are talking about them. 3. Ed Aguilar listens to Ed Hill preach to him and prove his wrong again. 4. Kevin Amason waits for the start of the chug-a-lug in which he took first. 5. Jacque Shubert wonders if he should go and talk to one of his sweethearts. 6. Anyone can tell Royce Clampitt is not one to disturb during his lunch.

Dear Students:

As the school year fades into summer, another group of students bid farewell to Adoldo Camarillo High School. This class of five hundred sixty seniors join six thousand seven hundred eighty-nine previous graduates. These people have all been an important part of the heritage of our school.

Samuel Ullman said "Youth is not a time of life; it is a state of mind; it is not a matter of rosy cheeks, red lips and supple knees; it is a matter of the will, a quality of the imagination, a vigor of the emotions; it is the freshness of the deep springs of life. Youth means a temperamental predominance of courage over timidity, of the appetite for adventure over the love of ease."

High school is one part of a continuing process of growth in the life of a student. While in attendance, students find many new areas of opportunities available to them. The opportunities are available because a concerned community has provided a school and the necessary support to allow students to develop their abilities. A concerned, capable faculty has endeavored to provide a sound basis for the students successful life both in acedemic and moral areas.

The past is not as exciting as the future. Those things we have experienced whet our appetite for the new experiences we will encounter. We will be judged for what we do - not who we know - as we use those skills and attitudes for ourselves and our families. The success we find should be beneficial to the proud heritage of our country and a step forward for those others who are a part of our great land. This bicentennial year has reflected what the past has provided for us. It has shown the trials and tribulations others have encountered and overcome to provide us with what we now have. It is the fate of those yet to come to experience the achievements of those into the world outside of school. The challenge is thrown to us as a part of this great republic.
Good Luck!

Respectfully Yours,

Donald Jansen
Principal

This year's student body of Adolfo Camarillo High School proudly dedicates El Alacran—1977 to Mrs. Opal Johnson. Mrs. Johnson has been teaching here for 18 years an has gained great respect from her fellow faculty members and also the student body. Because of her teaching ability, interest in her students, and her pleasing personality, Mrs. Johnson has made school a little more bearable and enjoyable for her students.

Mrs. Johnson received her B.A. degree from Colorado State. She then taught at a junior high school In Lincoln, Nebraska, for 16 years. Mrs. Johnson enjoys playing the organ, embroidering, and sewing in her spare time.

As the 21st year at Adolfo Camarillo High School ends, students have learned a little more about living. Most people enjoyed activities sponsored by the school and clubs of the school.

Once again this year, the academic program and staff ranked high in the school district and with students.

This year's athletic teams were successful again either by making CIF Playoffs or by building strength for future years.

The 1976-1977 El Alacran would like to wish the students of Camarillo High School future success and Good Luck.
